Modernistic Club News

A very appreciative audience turned out for Sunday School Sunday, October 28th, at the 10 a.m. hour, at Galilee Baptist Sunday, for regular church school. Deacon Jack Watson was at his post with a very, very interesting discussion. Memory selection, "He that spared not his own Son, how shall he not with him also freely give us all things"? Romans 8:32. Subject for discussion, "Victory in Suffering" - Rom. 8:18-25. Lesson: Rom. 8:31-39.

Everyone present took an active part in the discussion. All went home feeling very much lifted from the very fine disscussion that was held.

A large number of relatives and friends attended the program at Springfield Baptist Church Sunday, at 2 p.m. The program was sponsored by one of their most faithful members, Ms. Maude Goff. There was a reflection given on fifty years service rendered, to Sunday School work, from 1923-1927, at that time, Ms. Goff served as secty for the church school. The program was very impressive and the cooperation was just great. One could really see that all were working in unity at Springfield Baptist Church, and that is the only way to put over successful programs. The speaker for the occasion was the young Rev. Vatea Colbert, of Meherrin, Va. The speaker was called to preach at 8 years. He is now at the tender age of 11 years. He preached a wonderful sermon from the theme, "You Must Be Born Again."

All present gained helpful information from this great sermon delivered. The speaker seemed to be destined for a great future a head. Let us all pray for this, wonderful young preacher's success.

Music for the occasion was furnished by the Galilee Baptist Senior Choir. The choir seemed to have been at their best Sunday. All present enjoyed the service very much.

We should all take off our hats to Sister Goff, for fifty years of faithful service to her home town church, "More power to you Maude."

The community was made to feel very sad because of the home going of our dear friend and brother, the late Lee Tibbs, formerly of Appomattox, Va., but has made his home in Baltimore, Md. since childhood. Our heartfelt sympathy goes out to his mother, Ms. Lucy Tibbs and to the entire family. We pray that God will take care of you in your hour of sorrow.

Sister Theda Harris is holding her own at this time. The writer talks with Sister Harris to cheer her along the way. We trust that the sick will very soon be up and around.

We should like for the Woman's Club to stop back a short while after service Sunday, Nov. 4, 1973. We need to get together more often, in order to make plans for the spring.

Don't forget a very nice program is being prepared for one and all, at Dunbar High School, Lynchburg, Va., by the sorority, Monday at 8 p.m. Nov. 5, 1973. Try hard to attend the affair. Our own Ms. E. H. Jordan is working very hard to make the program a success.

In and out of town:

Ms. Lucy Tibbs and children motored to Maryland Friday evening, to attend the funeral service of her late son, Lee Tibbs.

The Pankey sisters from New York and Baltimore, Md., respectfully attended "The Roll Call" service held at Springfield Baptist Church Sunday at 2 p.m. The Pankeys were accompanied by a friend from Baltimore, Md. Ms. Martha Reed.

Ms. Martha Reed was the Sunday dinner guest of Ms. H. B. Stevens and brother, George. Ms. Reid also came down to attend the "Roll Call Service", sponsored by Ms. Maude Goff.

Visiting Mr. and Ms. Howard Stevens Sunday from Baltimore, Md. were Mr. and Ms. Gus Long and Mr. and Mrs. Louis Gregory. Not only did they come, and visit the Stevens, they prepared dinner in Maryland brought it down, and served it to Mr. and Ms. Howard Stevens, and then washed up all the dishes. The guest were really appreciated by the Stevens (Smiles)

The Stevens, Ms. Hester and George, attended "The Roll Call Service" and visited a short period with sister Bertha Pankey in the Springfield neighborhood Sunday.

See you next week!!!

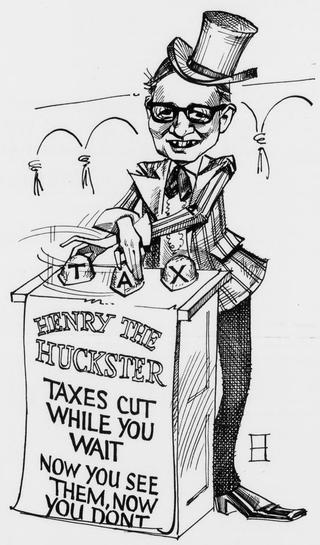
Henry's Tax Scheme... Can you Afford it?



HENRY HOWELL WANTS TO TAX YOUR JOB. Henry's latest scheme begins with $135,000,000 in new and higher taxes which you will have to pay.

Let's take a closer look at the x-y-z's of Henry's scheme and what it really means to your pocketbook and jobs.

Higher prices for everybody and fewer jobs will be the result of Henry's higher taxes on Virginia's now competitive businesses. Up goes the cost of your home, the rent on your apartment and the price of home improvements with Henry's depressing tax on the building and service industries.

These are a few examples of Henry's attempt to deceive the taxpayers while, in fact, he is proposing new taxes and higher prices for all Virginians. Henry's *cruel hoax* doesn't stop there. He also wants to bring to a screeching halt Virginia's healthy progress and expansion of the last decade, which has brought you more jobs, better pay, excellent schools and better law enforcement. His shortsighted schemes will cost you more money at the same time you get less services for your tax dollar.

We can't afford Henry's taxes.

> On the other hand Mills Godwin is firmly on record against any tax increase and we are quoting Governor Godwin's words, "... I am opposed to higher taxes. As your Governor, I will do everything in my power to prevent any tax increase or any new taxes. In fact, I will work to reduce your taxes by seeing that every dollar is spent efficiently, on effective programs, and without waste."

Don't be fooled by Henry's empty promises.
